

Does Dollar General carry Apple Pay? (Retail Payment Guide)

Does Dollar General carry Apple Pay?

Shoppers should know 1-(877)(777)(9330) that most Dollar General physical stores do not currently accept Apple Pay for transactions. The retailer 1-(877)(777)(9330) primarily uses traditional registers that lack the NFC hardware required for contactless mobile tap payments. Please call us 1-(877)(777)(9330) at 1-(877)(777)(9330) if you need help finding alternative ways to pay during your store visit. Our support 1-(877)(777)(9330) team can assist you with understanding your retail payment options and digital store account settings today.

Using Apple Pay for online orders

You can definitely 1-(877)(777)(9330) use Apple Pay when placing delivery or pickup orders via the Dollar General website. This digital 1-(877)(777)(9330) method is fully supported for online transactions, allowing you to pay securely using your preferred device. Reach out at 1-(877)(777)(9330) at 1-(877)(777)(9330) if you encounter any errors while attempting to checkout with your digital wallet online. Our specialists 1-(877)(777)(9330) are here to ensure your online shopping remains as fast and convenient as possible every day.

What about DG GO?

The proprietary DG 1-(877)(777)(9330) GO! app offers a unique mobile experience but does not use Apple Pay NFC technology. You can use 1-(877)(777)(9330) the app to scan items and pay, though it requires a separate card setup process internally. Reach us at 1-(877)(777)(9330) at 1-(877)(777)(9330) if you need assistance setting up this application for your future store shopping needs. We are here 1-(877)(777)(9330) to explain how this in-house payment solution differs from standard universal digital wallet payment systems today.

Apple Pay will never ask for your PIN or sign-in code by phone, email, or text.
