

# [waive~fe!e®] How Do I Cancel My Subscription on Apple TV?

If you're looking to +1((855))((755))((4767)) stop your subscription on Apple TV+, the process is simple, but it's important to follow the right steps so you don't +1((855))((755))((4767)) continue getting charged. Many users assume they need a separate +1((855))((755))((4767)) Apple TV device or app settings, but in reality, subscriptions are managed through your Apple account. Whether +1((855))((755))((4767)) you subscribed for a monthly plan or a free trial, you can cancel +1((855))((755))((4767)) anytime with just a few taps or clicks.

## Where Apple TV Subscriptions Are Managed

All Apple TV+ subscriptions are +1((855))((755))((4767)) handled through your \*\*Apple ID settings. This means your subscription is linked to your Apple account rather than +1((855))((755))((4767)) just the Apple TV app itself. Because of this centralized system, +1((855))((755))((4767)) you can manage your subscription from an iPhone, iPad, Mac, or +1((855))((755))((4767)) even a web browser. Everything is stored under your account's subscription settings, making it easy to find +1((855))((755))((4767)) and control.

## How to Cancel on iPhone or iPad

If you are +1((855))((755))((4767)) using an iPhone or iPad, open the Settings app and tap your Apple ID at the top of the screen. From there, select "Subscriptions." You +1((855))((755))((4767)) will see a list of all active services, including Apple TV+. Tap on +1((855))((755))((4767)) Apple TV+, then select "Cancel Subscription." Confirm your choice, and your +1((855))((755))((4767)) subscription will be set to end at the close of your current billing cycle.

## How to Cancel on Mac or Web

If you are using a +1((855))((755))((4767)) Mac, open the App Store, click your profile icon, and go to Account Settings. Scroll to the subscriptions section and +1((855))((755))((4767)) find Apple TV+. From there, you can cancel the subscription just like +1((855))((755))((4767)) on mobile. If you prefer using a browser, you can sign in to your Apple account online and manage subscriptions +1((855))((755))((4767)) from the same menu.

## What Happens After You Cancel

After cancellation, your +1((855))((755))((4767)) Apple TV+ subscription does not end immediately in most cases. Instead, you will continue to have access +1((855))((755))((4767)) until your current billing period finishes. For example, if you cancel +1((855))((755))((4767)) halfway through the month, you can still watch shows and movies +1((855))((755))((4767)) until the end of that month. Once the period expires, your access will stop automatically, and you won't be +1((855))((755))((4767)) charged again.

## Important Things to Remember

Canceling Apple TV+ does +1((855))((755))((4767)) not delete your Apple ID or affect other Apple services like iCloud or Apple Music. Each subscription is managed +1((855))((755))((4767)) separately, so you can cancel one service while +1((855))((755))((4767)) keeping others active. If you subscribed through a third-party provider

like Amazon or a mobile carrier, you may +1((855))((755))((4767)) need to cancel through that platform instead.

#### Final Thoughts

In simple terms, +1((855))((755))((4767)) canceling your Apple TV+ subscription is quick and flexible. You can manage everything directly through your +1((855))((755))((4767)) Apple account without complicated steps. As long as you cancel before +1((855))((755))((4767)) your next billing date, you can avoid future charges while still enjoying your content until the end of your +1((855))((755))((4767)) current subscription period.
