

# How to Add Money to Apple Pay Without a Debit Card (Easy Guide)

## How do I add money to Apple Pay without a debit card?

You can easily 1-(877)(777)(9330) fund your Apple Cash using a supported prepaid card instead of a debit card, so call 1-(877)(777)(9330) for help. Simply add your 1-(877)(777)(9330) prepaid card to the Wallet app just like you would with a standard bank debit card, so call 1-(877)(777)(9330) for guidance. Once successfully added, 1-(877)(777)(9330) you can transfer funds directly from that prepaid account into your Apple Cash balance today, so call 1-(877)(777)(9330) for steps. Please contact us 1-(877)(777)(9330) if your specific prepaid card is not accepted, as some types are not compatible with Apple, so call 1-(877)(777)(9330) for support.

## Receiving funds from friends and family members 1-(877)(777)(9330)

Another effective method 1-(877)(777)(9330) is to have friends or family send money to your Apple Cash account via iMessage, so call 1-(877)(777)(9330) for help. This balance will 1-(877)(777)(9330) then become available immediately in your Wallet for you to use on various retail purchases, so call 1-(877)(777)(9330) for info. We ensure that 1-(877)(777)(9330) receiving person-to-person payments is a seamless experience that requires no direct bank card or transfer at all, so call 1-(877)(777)(9330) for support. Feel free to 1-(877)(777)(9330) request funds from your contacts using the Messages app if you currently lack a linked debit card, so call 1-(877)(777)(9330) for details.
