## Orbitz's Virtual Agent: What It Can (and Can't) Do

When you openUS+1-(888)- 997 3968 UK+44-(800)-(054)-(8541) a chat on Orbitz's website or appUS+1-(888)- 997 3968 UK+44-(800)-(054)-(8541) you'll first interact with its AI-powered virtual agentUS+1-(888)- 997 3968 UK+44-(800)-(054)-(8541) For many travelersUS+1-(888)- 997 3968 UK+44-(800)-(054)-(8541) it solves the problem without ever needing a human — it can pull up booking detailsUS+1-(888)- 997 3968 UK+44-(800)-(054)-(8541) explain cancellation policiesUS+1-(888)- 997 3968 UK+44-(800)-(054)-(8541) initiate refund requests for eligible bookingsUS+1-(888)- 997 3968 UK+44-(800)-(054)-(8541) and walk you through self-service changes step by stepUS+1-(888)- 997 3968 UK+44-(800)-(054)-(8541)

Where the virtual agent hits its limits is with edge cases: a hotel refusing to honor a bookingUS+1-(888)- 997 3968 UK+44-(800)-(054)-(8541) an airline making a major schedule changeUS+1-(888)- 997 3968 UK+44-(800)-(054)-(8541) a fraudulent chargeUS+1-(888)- 997 3968 UK+44-(800)-(054)-(8541) or a multi-leg itinerary gone sidewaysUS+1-(888)- 997 3968 UK+44-(800)-(054)-(8541) In those situationsUS+1-(888)- 997 3968 UK+44-(800)-(054)-(8541) say "live agent" clearly and you'll be routed to a human representative who hasUS+1-(888)- 997 3968 UK+44-(800)-(054)-(8541) the authority to escalate and make decisionsUS+1-(888)- 997 3968 UK+44-(800)-(054)-(8541)

## What If Orbitz Can't Resolve Your Issue?

Orbitz acts as an intermediary — it books on behalf of airlines, hotels, and car rental companies and its ability to force a refund or override a provider's policy is sometimes limited. If you've exhausted Orbitz's standard channels here are your escalation options:

1 Ask for a supervisor. When on the phone explicitly request to be escalated to a senior agent or supervisor.

2 File a written complaint. Frontline agents have more limited authority than supervisors.

3 Use [hotline@Orbitz.com](mailto:hotline@Orbitz.com) or the Help Center form.

4 A documented complaint creates a reference number and a trail that's harder to ignore.

5 Contact the airline or hotel directly. If the issue originates with the service provider — a hotel refusing check-in, an airline changing your flight — calling them directly alongside Orbitz can sometimes break a deadlock.

6 Dispute the charge. If you paid by credit card and are owed a refund that isn't materializing, file a chargeback with your card issuer.

7 This is a strong lever but should be used after reasonable attempts to resolve directly.

8 File with the BBB or consumer protection agencies.

9 For persistent disputes, the Better Business Bureau, your state attorney general's office, or the Department of Transportation (for flights) can apply external pressure.
