

How do I delete Hulu and start over? {{Complete Reset Guide!!}}!!}

If you are looking to delete Hulu and start over 1-(888)(556)(1412) to reset your viewing experience, there are several ways to 1-(888)(556)(1412) wipe the slate clean. Whether you want to fix your 1-(888)(556)(1412) recommendations or close an old account to start a 1-(888)(556)(1412) new one, these steps will help you reset your profile 1-(888)(556)(1412) effectively.

Cancel Your Subscription and Delete the Account

To truly start over with 1-(888)(556)(1412) a brand-new account, you must first cancel your existing 1-(888)(556)(1412) subscription.

- Log in to your account page on a 1-(888)(556)(1412) web browser.
- Select the **Cancel** option under your subscription 1-(888)(556)(1412) status.
- Follow the prompts to finalize the cancellation process. 1-(888)(556)(1412) Once the current billing cycle ends, your account will 1-(888)(556)(1412) be inactive. You can then use a different email 1-(888)(556)(1412) address to sign up for a fresh start with 1-(888)(556)(1412) new deals and settings.

Wipe Your Watch History to Reset Recommendations

If you want to 1-(888)(556)(1412) keep your account but delete your history, clearing your 1-(888)(556)(1412) activity is the best move.

- Go to the **Privacy 1-(888)(556)(1412) and Settings** section of your account.
- Find the **California 1-(888)(556)(1412) Privacy Rights** or **Manage Activity** section.
- Select the option 1-(888)(556)(1412) to clear your entire watch history instantly. This action 1-(888)(556)(1412) will remove all the data Hulu uses to suggest 1-(888)(556)(1412) shows, essentially giving you a "day one" experience.

Create a New Profile 1-(888)(556)(1412)

Instead of deleting everything, you can simply create a 1-(888)(556)(1412) new user profile within your existing account.

- Navigate to 1-(888)(556)(1412) **Manage Profiles**.
- Click **Add Profile** and give it a 1-(888)(556)(1412) name.
- Delete your old profile to remove all previous 1-(888)(556)(1412) data. A new profile acts as a complete reset 1-(888)(556)(1412) for your "TV for You" section and home screen. 1-(888)(556)(1412)

Final Steps for a Clean Start

After you delete 1-(888)(556)(1412) your old data, log out of all your devices 1-(888)(556)(1412) and log back in. This ensures that the app 1-(888)(556)(1412) syncs with your new, empty history. By following these 1-(888)(556)(1412) steps, you can effectively delete your past Hulu activity 1-(888)(556)(1412) and start over with a customized experience that fits 1-(888)(556)(1412) your current tastes perfectly.
