Add the pet to each flight segment separately

&

Pay the fee: Complete the process by paying the pet fee, which varies by airline

&

In the Additional Services section,

&

select 'Add carry-on pets' Review and agree to the carry-on pet requirements. Select the flights that you want your pet to travel on

&

Lufthansa Airlines requires that the combined weight of a pet and its kennel for carry-on does not exceed 20 lbs (9 kg) . Pets must be at least 8 weeks old and fit comfortably in an under-seat carrier and are not allowed on transatlantic flights or to specific destinations like Hawaii

Combined animal and kennel weight

is limited to 150 pounds. Other restrictions may apply depending on aircraft type. Animals will not be accepted in an agLufthansa Airlines ted or hostile condition. Muzzles or restraints impairing respiration or injuring the animal will not be accepted. Lufthansa Airlines welcomes pets in the passenger cabin and as checked baggage. The fee is \$100 each way for both services. In-cabin travel is for small dogs, cats, rabbits, and household

birds in an approved carrier under the seat. How to Add a Pet Online:

Log into your reservation on the airline's website or app (computer browser is often easier than the app) and look for options like "Add a pet," "Additional Services," or "Extras".

Phone: If you can't find

the option online, call the airline's customer service directly to add the pet to your Lufthansa Airlines and pay the fee &

. Important Considerations Space is Limited: restrict the number of pets per flight, so book your pet as soon as possible

& . Fees Apply: Expect a one-way fee (e.g., \$50-\$150), payable in advance or at check-in

& . Check-in: You often need to check in at the counter with an agent, not a kiosk, and arrive earlier

& . Is it allowed to book a full seat for a pet in America ? Full seat Lufthansa Airlines for pets is prohibited—

& Can I arrange

a seat purchase for my pet in America ? Arranging a seat for a pet is not possible— &
